

**LESSER PRAIRIE-CHICKEN
INITIATIVE**

LPCI Resources Toolkit

Where to find information

Website

www.lpcinitiative.org

The LPCI website is the go-to source for information on lesser prairie-chickens and the Lesser Prairie-Chicken Initiative. On it, you'll find links to our publications, photo and video galleries, reports, and fact sheets.

Social Media

[Facebook](https://www.facebook.com/LesserPrairieChickenInitiative) (www.facebook.com/LesserPrairieChickenInitiative)

[Twitter](https://twitter.com/LPCInitiative) (twitter.com/LPCInitiative)

[YouTube channel](#) (search for “lesser prairie chicken initiative” on YouTube, or access from the YouTube icon in our website footer)

Subscribe to our social media outlets to receive updates on LPCI.

Publications

[LPCI FY16-18 Conservation Strategy](#) NRCS Working Lands for Wildlife Three-Year Strategic Plan for LPCI

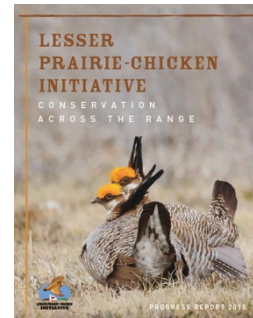

[Conservation Across the Range](#) (21-page progress report)

[Introductory Brochure](#)

[Conservation Assistance Programs Brochure](#)

[Redcedar Removal Restores LEPC Habitat.](#) *Science to Solutions Series*, Number 1. 2016. 4pp.

[Woody Plants Removal: Eastern Redcedar.](#) *Conservation Strategies Series*, Number 1. 2016. 2pp

Videos

[Meet the NRCS-led Lesser Prairie-Chicken Initiative](#) (4:14)

[Better Grazing Through Burning](#) (5:05)

[LPCI Conservation Reserve Program Grasslands](#) (3:36)

Our videos introduce LPCI and two of its key conservation strategies (prescribed fire and conversion of expired CRP grasslands to grazing lands). You can watch them on our [YouTube channel](#), or find them in our website [video gallery](#).

Photos

Our website [photo gallery](#) offers images of lesser prairie-chickens, their habitat, range conservation strategies, participating ranchers, and researchers. For high-resolution images for publications, please contact us at info@lpcinitiative.org.
